Leadership

BP, *Lessons from the Varsity of Life*, 1934

WHAT IS LEADERSHIP?

Leadership is the ability to **stimulate, motivate and influence** others to do work towards and achieve a common goal.

There are many types of leaders...

the Prime Minister, the school Principal, the Captain of a soccer team. In Scouting there are Scout Leaders, Assistant Scout Leaders, Patrol Leaders and Assistant Patrol Leaders.

Some models of leadership

"After forming a cadet corps of boys for assisting as non-combatants during a military campaign in 1900: We then made the discovery that boys, when trusted and relied on, were just as capable and reliable as men"

Interview with BP by *Listener Magazine*, 1937
